WORK EXPERIENCE

Mightyfist Taekwondo App Development

Fremont, CA

Developer

March 2014 – September 2014

- Developed an iPhone application to serve as a communication platform for the Taekwondo school to showcase its curriculum, events, and schedules to students
- Planned and implemented a multi-layer user-interface, which incorporated sequential page navigation and table-view designs
- Maintained relevant information on the news page by linking it to an RSS feed
- Used Adobe Illustrator and Adobe Photoshop to design the graphics for the application's mobile interface

MovieLaLa Inc.

Palo Alto, CA

Summer Intern

June 2013 – August 2013

- Assisted in website development by linking data, such as multimedia files and meta-data, to proper webpage locations, using JavaScript
- Created and monitored social media marketing accounts on Tumblr, Pinterest, Facebook, etc., and reached thousands of subscribers
- Emended and implemented code to automate posts, follows, likes, and other simple commands on social media sites
- Researched and charted background information including skills and expertise, on potential recruits
- Wrote the screenplay and managed preparation (including organizing the location, cast and props) for the company's advertisement

ACTIVITIES

Women in Science and Engineering Residence Program

Ann Arbor, MI

First-Year Member

September 2014 – Present

- Selected to participate in a living-learning community aimed to help women in STEM succeed
- Studied and analyzed the history and psychological motives behind why so many women leave the work force and worked together to create a prosperous learning environment

International Taekwondo Federation (ITF)

Cupertino, CA

2nd Degree Black Belt

June 2006 – September 2014

- Co-captain of US Junior-girls ITF National Taekwondo Team
- Assistant coach at Mightyfist Taekwondo Do-Jang
